The Engineering Leaders Playbook for Spec Driven Development

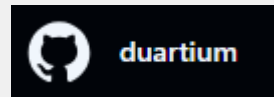

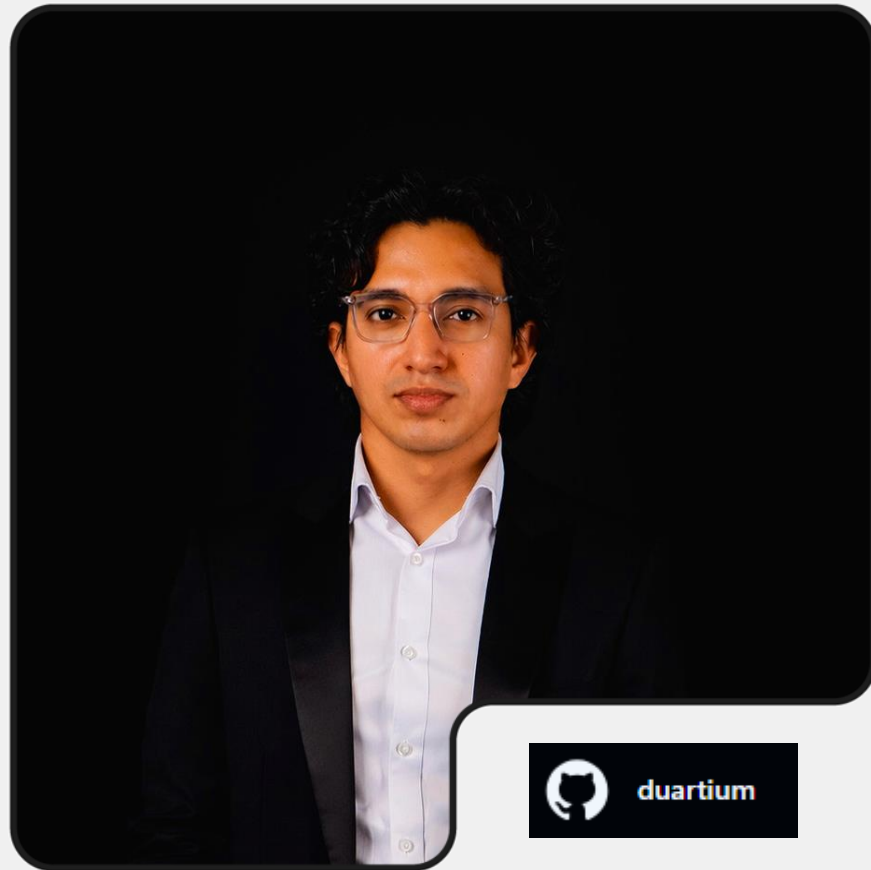

{ Build  with AI }

Byron Duarte

Senior Software Developer
Software Architect
Líder de proyectos
Founder Dotnet Ecuador

@dotnetecuador
www.dotnetecuador.com

AGENDA

- 1 Demo de proyecto legacy
- 2 Fundamentos de Spec Driven Development
- 3 Constitución
- 4 Implementación de nuevas features
- 5 Demo Final y Conclusión

Constitution

Mission

What's the core idea?

Tech stack

How does it fit with the tech stack?

Roadmap

What features are planned?

B E F O R E

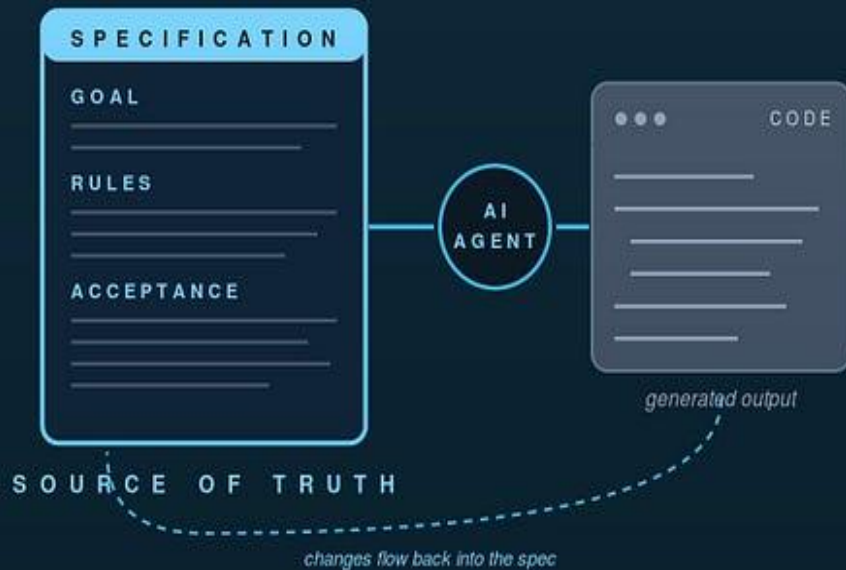

Code as the source of truth

Specs were written, archived, and forgotten.
The code became the only thing anyone trusted.

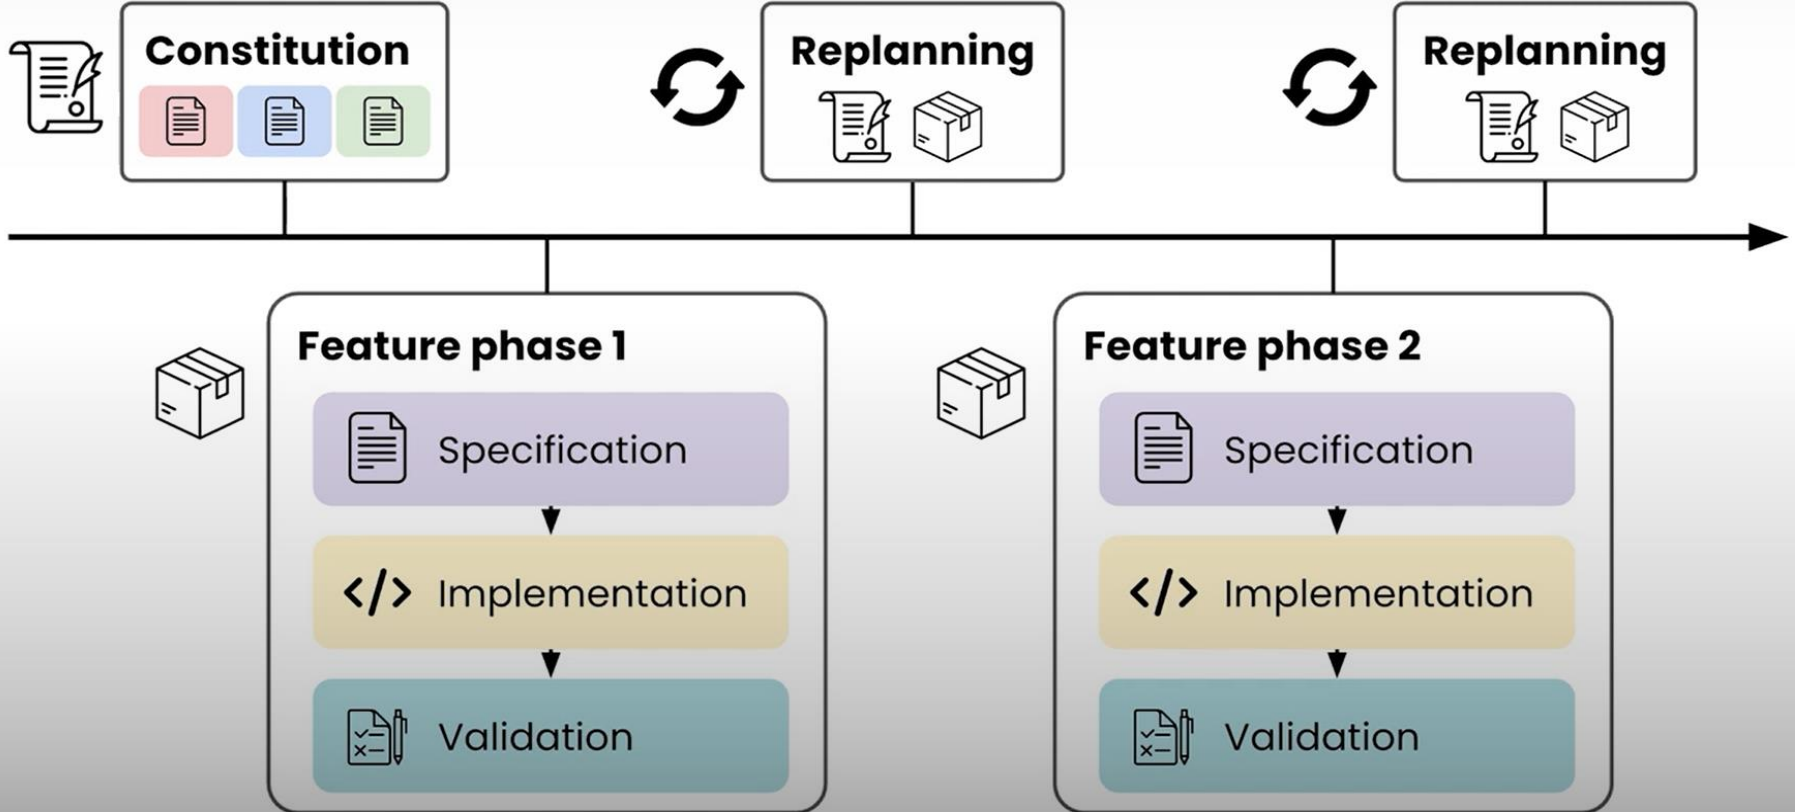

A F T E R

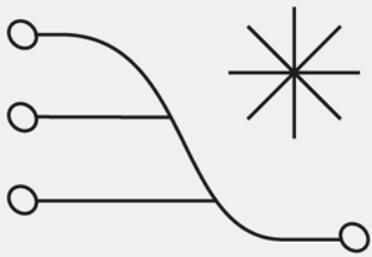

Spec as the source of truth

The spec is the artifact we maintain.
Code is something we generate from it.

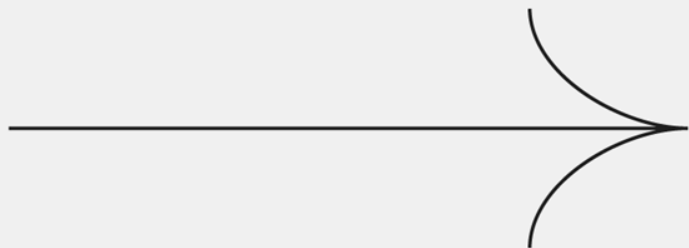

Project evolution

Sobre qué **tan bien**, la implementación final satisface lo definido en la fase de especificación.

¿Cómo se mide el éxito de aplicar SDD?

{ Build  with AI }

Recursos recomendados.

Spec-Driven Development: From Code to Contract in the Age of AI Coding Assistants

Technical Report

Anthropic courses

Claude 101

Learn how to use Claude for everyday work tasks, understand core features, and explore resources for more advanced learning on other topics.

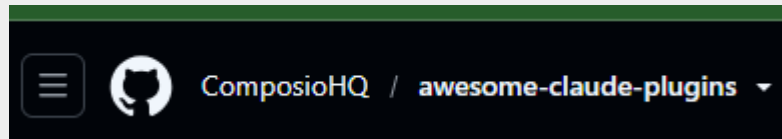

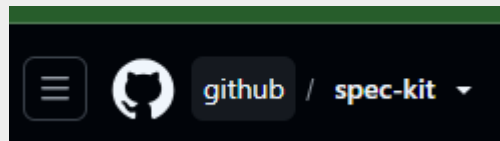

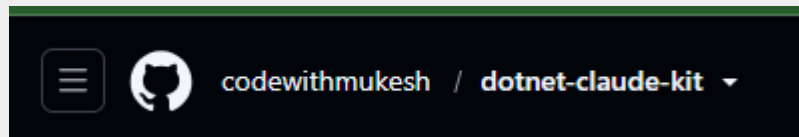

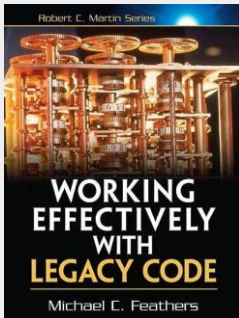

Claude Code 101

Learn how to use Claude Code effectively in your daily development workflow.

Claude Platform 101

This course teaches developers to build on the Claude Developer Platform from the ground up, whether you've made a few API calls or have only used Claude through a chat window.
